Ice Cream RECEIPT...

OUR ICE CREAM is town talk. A number of ladies have asked for our receipt, and we are glad to give it to all.

We use one half Jersey Cream, one half rich milk, granulated sugar and pure fruit flavor. This will make you the finest cream that can be made. If you do not want to trouble with making it, we can furnish you any amount at \$1.50 a gallon.

If you only want a half gallon or gallon, this is cheaper than you can make it. If you want cheap cream at 75c or \$1.00 a gallon, we advise you to go elsewhere, as we only make one kind. It is the same kind we serve at our fountain, and that is the reason they are all coming to Bratton's.

Alderman Grant also called attention to work needed on south end of Magnolia street. Mayor Bowers stated the work was badly needed, and called on that committee to look after same.

Alderman Temple asked about Mr. O'Flynn's resignation; what had become of it.

Mayor Bowers answered by suggesting that council elect a president of the council, and on motion Alderman Hunter was elected president. Alderman Galloway asked about that resignation of O'Flynn's, and was informed there was no vacancy in the council, as resignation had not been acted on. Adjourned.

Japs Make a Fake Retreat and Russians Fall Into Trap.

New Chwang, June 13.—Information has been received here through heretofore reliable channels that part of the Japanese force were left at Pu Lan Lien to checkmate the Russians' southward movement to relieve Port Arthur, engaged them at Shung Mao yesterday. After a slight fight, the Japanese made a false retreat. The Russians hotly followed them, when the Japanese made a flank movement, catching the Russians in a trap. The Russian losses are placed at 800 men. They then fell back on Kai Chou and began to retreat along the Baima Tzu Tsai Chou road. About 2000 Russian infantry from Kai Chou passed through New Chwang this morning, accompanied by a large supply and hospital train. Several carts contained bandage for men. The troops appeared to be fagged out and showed every indication of a long forced march. The officers refused to furnish any information, but non-commissioned officers told a correspondent of the Associated Press that all the troops were retreating from Tsao Chou. Before he could say anything further he was reprimanded by a captain. Stragglers are closely watched by non-commissioned officers to prevent them from talking. Native messengers just in from the Russian camp east of here report there are many wounded men there.

High Grade Teachers.

As an evidence of the strides being made by the Palestine schools, the Herald is informed that all teachers now employed either hold permanent or first grade certificates. This is indeed gratifying, and all Palestine should feel a pride in the excellent way the public schools are being conducted.
